### Visual or Effects:

Let us know if there is an LED wall that we'll send you our visual pack or any other stage effects.

### Stage Hands For Load-In:

We need 2 stagehands for load-in and it will take around 15 minutes.

### Sound Check:

Load-in, stage setting and sound check will take around 1.5 hours so please have your sound guy and your LD guy around that time.

### Lights and Haze:

We don't travel with LD and we'll use the service of the local LD. We request a bright stage lighting and low use on the haze or smoke. Please check "Stage Setup Layer 2 - Page 5" for positions because we'll need spotlights on the keyboard, on the drums and downstage.

### Stage Hands For Load-Out:

We need 2 stagehands for load-out and it will take around 30 minutes.

### Hospitality:

Hospitality for sound check and for show time please check page 6.

### Merch:

Will be advanced by Kill The 8 and Randy.
